

How to Change Your Password Using Outlook Web App

In the upper left corner of your mailbox, click the little gear to the left of your picture to get a menu and choose "options".

Expand "General" and then select "My Account".

Find "Change Your Password" toward the bottom of your options under the "Office" field.

[Change your password](#)

A screen will open on the right near your name and the options gear. Enter your current password and then the new one.

✓ Save ✕ Discard

Change password

Enter your current password, type a new password, and then type it again to confirm it.

After saving, you might need to re-enter your username and password and sign in again. You'll be notified when your password has been changed successfully.

Email address:	DWeigel@StamfordCT.gov	
Current password:	<input type="password"/>	Enter your current password.
New password:	<input type="password"/>	
Confirm new password:	<input type="password"/>	

As always, if you have any questions, please call the helpdesk at 977-4936. Also, if you cannot remember your password at all, you can call the helpdesk and they will help to reset it for you.

Thank you!
