

MONTHLY MENTORING NEWSLETTER

January 2009

Our Stars of the Month

This month I would like to do something a little different and highlight all of you that take the time out of your busy schedules to make a difference.

We understand the difficulties and frustrations that can come but I want to thank you for making an effort and doing it week after week.

I would also like to thank two companies that have provided us with great mentors and commitment, Genworth Financial (7 mentors), which has been with us since the beginning and has sent us a great team of volunteers and McLagan Consulting (6 mentors) which is a new mentoring group and we look forward to the long relationship with their dedicated employees.

Thank You from Youth Services and from the Stamford Community for your effort and dedication to the children of Stamford.

Thank You

***** **REMEMBER** *****

We need more mentors – please tell a friend to become a mentor today and if you have any ideas of individuals or corporations to contact please let me know so I can give them a call.

We currently have 33 mentors and I would love to double that number by year end.

Thanks for your continued support.
