FAX: (203) 977-5250

All programs are free!

Have you ever wondered what happens after you flush ?

Come visit the
Water Pollution
Control Authority

Please be aware that this is a working treatment plant.

Students and visitors must dress appropriately...

Most importantly, this includes sturdy shoes and long pants. Open toed shoes are not permissible (Sneakers are a good choice.) A hard hat will be provided for the outdoor tour.

It is often windy at the facility and jackets are recommended even on warm days.

Your preparation and cooperation is appreciated to facilitate the enjoyment and safety of your visit.

We look forward to seeing you soon !!!

The Stamford WPCA offers group tours by appointment

We can accommodate all types of organizations and age groups: from 1st grade to high school, college, after school programs, girl scouts, boy scouts, senior groups, environmental groups, etc.

Presentations & Activities are tailored to be age-appropriate

Curriculum can be customized to meet your educational needs or interests

The general program is 1.5-2 hrs beginning with an interactive presentation on wastewater and how the treatment plant works, followed by a tour of the process plant

Depending on interest and time, additional microorganism identification activities or stormwater education can also be included
