## ROAD TOUR

### SAVE THE DATE

2010 Census Road Tour is coming to a city near you!

Between January 4 and April 13, 2010, the U.S. Census Bureau will host a road tour that will visit cities across New England and Upstate New York encouraging everyone to complete and return the census form when it arrives in March 2010. The road tour features interactive kiosks where people can learn about how the census affects their communities.

**As a 2010 Census partner, we're counting on you to participate in and promote the road tour when it arrives in a neighborhood near you.**
